

INFORMATION HOTEL DAUMESNIL-VINCENNES

Dear clients,

Thank you for staying at the Daumesnil-Vincennes Hotel. For health reasons related to the Covid-19, we are telling you about the hygienic measures that we have taken given the current situation:

HOME

For everyone's safety:

It is compulsory to wear a mask throughout the hotel, with the exception of the bedrooms and the breakfast room when you are sitting at the table.

Our reception counter is equipped with plexiglass protection. Hydroalcoholic gel is available at various strategic places in the establishment such as at the entrance of the hotel and near the elevators. All room keys are scrupulously disinfected. Between each client, we systematically disinfect all the materials used.

BEDROOM

All our rooms are thoroughly disinfected after each departure with a virucide meeting the EN 14476 standard. In order to better sanitize the spaces, we have purified the rooms by removing the decorative linen and reducing the number of pillows. We also inform you that you have suspended room service during your stay, on request, we will offer you new towels. We thank you in advance for opening your bedroom window before leaving it on the day of your departure.

BREAKFAST

Our breakfast lounge and terrace are open to our customers. We offer a continental breakfast in the breakfast room or an express breakfast served in the room.

* Breakfast at the rate of 10 euros per person - Free for any direct booking.

STAY

We perform constant cleaning and disinfection of all surfaces of the common areas. The Hall, the elevator, the handles ... We ask you to respect the barrier gestures, physical distance, use of the alcoholic gel.

DEPARTURE

Our luggage room and our shared toilets remain open.

We will ask you to leave your key in our drop-off area at reception. We will suggest that you send your invoice by email.

**THE WHOLE TEAM OF HOTEL DAUMESNIL-VINCENNES IS HAPPY TO WELCOME YOU FOR
NEW BEAUTIFUL ADVENTURES**
